Not Present: Susan Cairns

---

Robbie Brown, Chairwoman called the Wednesday, November 4, 2020 meeting to order.

**APPROVAL OF MEETING MINUTES:**

**J. Williams MOVED;** R. Brown seconded to approve the meeting minutes of October 7, 2020. Vote 3 YEAS (Suszko late arrival). **MOTION CARRIED.**

**NEW BUSINESS:**

**(Commercial) Applicant: Philip Laurien; d.b.a. Captain Bell House, 5760 & 5770 Liberty Avenue (Shed, Carport)**

R. Brown thanked P. Laurien for the nice layout of the documents he provided to the board. P. Laurien explained this is a new application to construct a new 8' x 10' wooden garden shed, which will be painted blue to match the cottage. It will be placed on the brick paver patio. In addition, he is requesting to construct a 14' x 16' carport (wood) that was originally approved by the board in 2014. However, he did not follow through with constructing it as he was not sure of the location. Therefore, he has moved the location about 12' to the north. It will be identical to the carport he submitted in 2014. He will be changing the angle of the roof and it will be on a slab. He said he was required to come back to the board for approval.

B. Miklos said it looks good and appreciated all the documentation he provided. R. Brown said she likes the quality of the work and said it will be darling. She said his whole place is an asset to the neighborhood and community.

M. Suszko said she looked at the site and she would assume this project is fitting with generally how his property looks so she does not have a problem with this request.

J. Williams said on the application he crossed out the zoning and put in another zoning. P. Laurien said the previous building inspector had listed the wrong zoning so he just wrote in the correct zoning which is B-2.

**J. Williams MOVED;** M. Suszko seconded to approve the application as submitted. Vote 4 YEAS. **MOTION CARRIED.**

**ADJOURNMENT:**

R. Brown adjourned the meeting upon no further discussion.

**Next Meeting:**
